

親愛的同學好，

Dear All,

每年本系皆有應屆畢業生在通過英檢上有困難，向系上提出可能的彈性應變需求，經 全系教師討論通過「進階英語能力評鑑」最新措施，並於即日起實施。

Every year, the Department's graduates-to-be face difficulties in passing English proficiency tests and make requests to the Department for flexibility in handling this. As a result, the faculty has passed the new Advanced English Proficiency Assessment measures, which take effect immediately.

修課條件：

本系學生於大四下學期開學課程加退選截止日前，已參加任一英語能力考試 3 次（含）以上未通過者，請於開學第一週提出入學後考試未通過證明至系辦備查，須於大四下同時選修「英語能力評鑑」及「進階英語能力評鑑」課程，並依「進階英語能力評鑑」開課老師之要求，加強英語能力。

Course requirements:

For Department students who have taken any English proficiency test for three times or more and not passed those tests before the fourth-year second-semester add-drop deadline, submit proof of having not passed the exams (which must have been taken after your admission to the Department) to the Department Office for reference. To improve your English proficiency, you will then be required to take the English Proficiency Assessment and the Advanced English Proficiency Assessment course simultaneously in your four-year second semester, and fulfill the requirements set by the Advanced English Proficiency Assessment course instructor.
