

親愛的同學好，

Dear All,

為降低各位同學第二外語修課衝堂，以及提升學生語言和文化多樣性，經全系教師於課程委員會議討論通過給予學生修課彈性應變，並於即日起實施。

In order to reduce student scheduling conflicts resulting from second foreign language courses, and to promote linguistic and cultural diversity for students, the Department faculty (via the Curriculum Committee meeting) has agreed to implement flexibility in how students select courses. The measures take effect immediately.

說明：本系現行第二外語採認為本系所開設之日文、西班牙文、法文，及語言中心或清大開設之德文、韓文。現同意學生可跨校選修上述之外的其他語種，並擇一語言修滿八學分採計為第二外語。

Explanation:

Currently the second foreign language courses recognized by the Department include those in Japanese, Spanish, and French offered by the Department, and courses in German and Korean offered by the Language Centre and at Tsing Hua University. Permission is hereby granted for students to take courses in **languages other than the ones already mentioned**, when offered by other universities, and choose one language in which 8 credits are completed as their second foreign language.
