Articles 1 and 2 revised and passed by the 1st Department Affairs Meeting for the 2020 academic year on Sep. 16, 2020

第一條 國立交通大學外國語文學系(以下簡稱本系)為鼓勵本校優秀同學繼續就讀本系碩士班，達到連續學習之效果及縮短修業年限，特訂定本辦法。

Article 1 These Regulations are formulated by the National Chiao Tung University Department of Foreign Languages and Literatures (below, the “Department”) to encourage the University's outstanding students to continue their studies in the Department's master's degree programs, to benefit from the effects of continuous learning, and to shorten their periods of study.

第二條 本校學生修業滿五學期，具備下列資格，得於第三學年第二學期或第四學年第一學期開學後一週內提出申請：

- 甲、本系學生學業成績名次在系排名前百分之三十；或
- 乙、有文學或語言學相關之優異學術表現者。

Article 2 NCTU students who have completed a full five semesters of study and who satisfy either of the following requirements may submit an application within one week after the start of the second semester of their third academic year or the first semester of their fourth academic year:

A. Department students whose school grade is ranked among the top 30% of the Department; or

B. Students with outstanding academic performance in literature or linguistics.

第三條 申請同學需檢附三封本系相關組別專任教師之推薦信。

Article 3 Each applicant must submit three letters of recommendation from full-time instructors in their Department section along with their application.

第四條 由本系各組之全體教師向招生委員會推薦名單，於每學年開學後二週內完成審查，並通知錄取學生。錄取人數以不超過本系碩士班相關組別甄試入學名額50%為原則。

Article 4 A list of recommended candidates shall be submitted by the faculty of the Department's

sections to the Admissions Committee. The review shall be completed within two weeks after the start of each academic year, after which the admitted students will be notified. In principle, the number of admitted students shall not exceed 50% of the places offered for students admitted via screening by each section of the Department's master's degree programs.

第五條 碩士班預修生必須於錄取當學年開始選修本系碩士班相關組別之應修（應選）課程；並通過預修期間之考核及本系「碩士班相關組別之甄試入學」，始能正式取得該預修之碩士班相關組別研究生資格。

Article 5 Pre-master's degree students must start studying the required (compulsory elective) courses listed by relevant sections of the Department's master's degree programs, from the academic year in which they are admitted; they must also pass the assessments conducted during the pre-master study period and the Department's Screened Admission to Master's Degree Program Sections before formally obtaining eligibility to be a graduate student in their intended master's degree program section.

第六條 根據本辦法錄取之學生（以下簡稱碩士班預修生）應於碩士班就讀第一學年結束前，選定本系專任教師為指導教授，簽訂並繳交「指導教授同意書」，以利研究所課程選課輔導與碩士論文研究之進行，並得於大學畢業後，以一至二學年完成碩士學位。

Article 6 Students admitted in accordance with these Regulations (below, "pre-master's degree students") shall select their advising professors from among the Department's full-time instructors before finishing their first academic year in the program. Each student shall sign and submit an Advising Professor's Consent Letter to obtain advice on graduate course selection and thesis research, thereby making them able to complete master's degree in one to two academic years after graduating from their undergraduate programs.

第七條 碩士班預修生於學士學位期間所選修之本系研究所課程專業學分，扣除計入學士學位畢業學分之外，悉數可抵免碩士班研究生應修之專業學分數。取得本系學士、碩士學位之其他條件，依本系「學士班修業規定」與「碩士班修業規定」辦理。

Article 7 The credits earned by pre-master's degree students from the Department's graduate program specialized courses during their undergraduate studies, other than the credits that have been calculated for undergraduate degree graduation, may all be used to waive the specialized course credits required for the master's degree. Other requirements for the acquisition of the Department's undergraduate/graduate degrees stipulated in the Department's Regulations for Undergraduate Program Graduation and the Regulations for Graduate Program Graduation shall also be followed.

第八條 本辦法經本系系務會議通過後實施，修訂時亦同。

Article 8 These Regulations shall take effect after being passed by the Department's Department Affairs Meeting. The same shall apply to any amendments and revisions.
